YOUR DECORATED CARTS MAKE AN IMPACT IN KENYA.

58 carts were sponsored through the 2nd annual Craft Beer & Carts fundraiser held by the Rotaract Club in Columbia. Sponsors covered the \$300 cost per cart and decorated for the contest portion. They shipped out last fall to Partners for Care in Kenya. Here are some of the 58 recipients who received one of these event carts. Some also received a Mini-Mart to set up a store front.

May 2021 post by PFC on our 17th shipment to them in March of 196 carts (81 large, 45 Pull, 70 small) & 50 Mini-Marts:

“Today we received not one but two containers! They arrived at 5 am at the PFC House. We received 378 Mobility Carts....

We are grateful for Mobility Worldwide MO - Columbia and Mobility Worldwide FL - Penney Farms, for all the people who built the carts, and for all the donors whose gifts made it possible to buy the material to make the carts and ship the containers 10,000 miles. I am grateful for the PFC staff who showed up in the dark this morning to unload the containers. And, I am grateful for our partners in Kenya who will distribute the carts all over the country to those in need. Connie Cheren, Founder” (Note: Connie will be in Columbia to speak with our supporters at various times during the weekend of the Craft Beer & Carts in July.)

GIFTS GIVEN LAST QUARTER:

We appreciate all the donors and families who have chosen Mobility Worldwide to honor or remember someone. Your gifts will be put to good use building and shipping mobility carts to others in need.

HAVE CARTS WILL TRAVEL

As the summer arrives and pandemic travel is allowed, I am on the road with carts. I have already visited Montgomery City First United Methodist and Presbyterian who have bought 65 carts over their life. My thoughts are to bring a cart and visit your church, your service club, or your festival picnic. Nothing shows our cart better than for our donors to see, touch and ride a quality made hand crank cart. We will be riding down main street July 20 in the Montgomery County parade. Can you find a date I can come to your parade?

I am scheduled to speak June 13 at Wellington and Odessa United Methodist Churches (UMC). On June 20 at Unity church in Columbia and then June 27 at Grace UMC in Sullivan, MO. When can I come to your church?

July 25 brings the Craft Beer and Carts 2021. Our goal is 75 businesses, clubs, churches, and family groups to sponsor a cart, decorate it and bring it out to Logboat Brewing Co outdoor area for a celebration and voting for your favorite cart. There is still time to sponsor, call or email.

The Friday before on July 23, our donors and volunteers are invited to hear Connie Cheren, Founder of Partners for Care. She will bring stories from Kenya where they have given away over 3,000 carts now and changed lives forever. It will most likely be an outdoor event at Broadway Christian Church. Bring your lawn chair.

Crossing Students sponsored & Mini-Mart.

And for donors across the United States, I am offering to bring a cart and visit your church, group. I am working on a trip to the Phoenix area to visit the Housers and Gold Canyon UMC in October. Can I visit yours along the way?

Thank you to all the support this spring. The shop is set to build 39 carts a week or more. A few more volunteers needed to assemble carts on a regular basis. But thanks to all of you for inviting your friends to see our shop and volunteers keep coming.

As Mel West always said, "When you do something good and do it well, good people want to help!!"

MILLER WELDING GIFT TRANSFORMS INTO CART PARTS

A big part of our success at Mobility Worldwide MO - Columbia is the support we receive from corporate donations. We would like to thank Miller Welding and their representative Ted Drower from Olathe, KS for their gift of about \$1,000 in kind donation of welding wire for our Columbia shop. They also aided us securing welders, welding table, jackets, helmets, and gloves. Our volunteer welders appreciate their support.
