MAKER OF THE MOBILITY CART SINCE 1994.

SHIP AHOY

DISTRIBUTION PARTNERS DELIVER YOUR CARTS AROUND THE WORLD.

“Although we’re well known for our Medical Brigades (entering now our 16th year), the **1700+ Mobility Cart recipients hold a special place in our hearts because of the overwhelming gratitude that recipients express!** There is nothing that compares to the moment when the recipient realizes they can move freely on their own on the Mobility Cart. The recipients feel a range of emotions that overflow from their innermost hearts. We see faith, joy, hope, gratitude, humility, peace, inspiration, courage and love. The returns on the investment are without question immeasurable. Thank you for giving to Mobility Worldwide.”

— Tami Gaddis, Secretary / Treasurer, Grace-Aire Medical Foundation / Aztec Ministries

These are countries we have shipped for just since 2021. For each country, we have listed the Distribution Partner and how many lives were changed because of your partnership. Some of our DP’s ship to agencies in multiple countries; so we have listed them separately in the Earth. Thank you for helping to reach 106 countries to date.

Distributed by Aztec Ministries to a man with an amputation.

YOU ARE CHANGING THE WORLD

As I set in the waiting room for my wife to recover from cancer surgery, I am reminded of how precious our physical life can be. Little do we worry about the ability to walk into this hospital or to do our daily tasks.

I am thankful that we can support those around the world that need mobility. We do not have the staff to deliver the carts. **We depend on partners like Partners for Care in Kenya, FAME in Indianapolis, Aztec Ministries in Mexico (part of Grace-Aire Medical Foundation), and others in many countries. They find those crawling on the ground, deliver our shipped carts and adjust the carts to fit their needs.** (See Distribution Partners' story with special quote on the front page.)

Columbia sends **Mini-Marts** when requested. A small Igloo cooler, simple storage boxes, and a wooden tray turns a cart recipient into a business person for around \$35.00.

Your donations enable us to turn metal into skilled welded parts. We need more welders to keep ahead of production of 50 carts per week. We have various tasks in need of volunteers to keep at this higher rate. Tell your local friends and invite them to come out and see how they can help.

Our plans are to build 50-60 carts a week. It takes lots of hours from over 200 volunteers. It takes donations to equal over \$ 21,250 per week in gifts. By the Grace of God, you have supported us for over 30 years. **THANK YOU!!!**

132 SPONSORED CARTS HEAD TO KENYA

6TH YEAR OF CRAFT BEER & CARTS IS A BIGGER SUCCESS.

We are grateful to all of you that sponsored a Mobility Cart. Sponsors were families, social groups, clubs, church groups, schools, and businesses. We are grateful for all our volunteers including the Rotaract Club that helped set up for the event day on July 14, manned the stations, and hauled all 132 carts to the shop for boxing and shipping. Pictures were then taken to document each cart before boxing. We are also grateful to over 400 who came to the MU Healthcare pavilion to enjoy fellowship and vote on their favorite decorated cart. Broadway Brewery donated back all the beer ticket sales and the 50/50 raffle winner donated her winnings. It was a glorious day and fundraiser that raised a net of over \$56,000.

On August 15, Jung trucking company brought a shipping container to load these carts along with other items. This is the 39th shipment to Partners for Care in Kenya. We generally pay about \$7,000 toward the Missionary Expeditors invoice each shipment. **THANK YOU** for making that possible.
