MAKER OF THE MOBILITY CART SINCE 1994.

MEN IN MOTION

FAME SHIPS OUR CARTS OUT TO MISSIONARIES NEAR AND FAR.

This report and video (translation below) came from the Dominican Republic which is a country that shares a Caribbean island with Haiti. This cart recipient and videographer were giddy with excitement.

Cart Recipient: *Thank you very much to the people who made this machine so that today I can feel more free.*

Woman: *Amen. Amen. Go ahead.*

Woman: *Greetings (to people walking by). Let's go, my love.*

Woman: *Move forward. Thank you very much. There it goes. Glory to God.*

Man: *Don't go far, because it doesn't have much gas.*

Man: *It only has enough gas to test it out.*

Woman: *Glory to God*

Gary,

Please share this video of Thanks from the DR, with your Mobility Worldwide family.

Thank you for being our partner, Barry Reed, FAME

“FAME is sending help and hope in the name of Christ to the world’s most vulnerable through medical evangelism.” (website) In the last 3 years, we have shipped a small number of carts each year to their Indiana warehouse for disbursement around the globe. Mobility carts: 24 in July 2024, 14 in September 2025 (report above), and 21 this last May. Next read the report from Africa.

Lifting Up Off The Ground

Our annual summer event Hearts for Carts is nearly here. July 12, 12 - 4 pm at the Farmers Market: MU Health Care Pavilion. This year we are seeing a great response to lift people off the ground. **At this time 140 carts are being sponsored, and we are excited to see the decorated models.** Check out this Pull Cart from 2025.

Bring your family and friends out on a Sunday outing. Listen to Flyover Country, eat some Trail Boss BBQ, some kettle corn, or have a cold drink from Tom's coffee or Kona Ice. We need your vote on the best decorated cart. Who will win this year?

All these plans and fun will lead to another 140 people in Kenya that you are helping off the ground. So come and enjoy the party and celebrate with us on this special summer day.

CATHOLIC DIOCESE AND SHOP TEAM UP

JAKE WAS ON A MISSION TO PROVIDE MOBILITY TO THOSE IN AFRICA.

Cover article excerpt: "One notable project was in October, where the Missions Office shipped a 40-foot container filled with Mobility Carts to Ghana and distributed them to people who cannot walk. Many people spend their entire lives crawling on the ground to get around. But, for \$425 we can get them off the ground!"

Ghana article excerpt: Jake recalls seeing crawling people in Uganda years earlier. He came home and through a search found us and our carts nearby in MO.

"...A couple of years had passed since I first visited the facility, and I kept thinking about how amazing it would be for our diocese to get these carts to the international dioceses we work with. While helping Fr. Ussher...with the mission trip he was going to lead this past summer, I asked him if his home diocese could use these carts.... Within 48 hours I had a list of parishioners with mobility impairments."

(Our own shop volunteer and friend, Mel Toellner - owner of Songbird Station, assisted in multiple ways to make this shipment happen. Carts shipped out August 2025 from Gold Crest Distributing warehouse.)

"The container arrived late October and the Mobility Carts were distributed to those with impairments." Jake Seifert, Senior Diocesan Director of Development and Missions of Jefferson City

MEN IN MOTION (Continued)

"Gary,

I hope you are well. I recently received this update from our partner in the DRC, Pastor Jonas Muyima. Barry

'Hello my brother Barry. Greetings in the name of our Savior and Lord Jesus Christ . Hope you are doing well with your family and everyone at FAME. Sorry for my silence. I'm back from the 6 months of missionary journey in Congo Democratic Republic. Since I came back to the USA on December 27, 2025, I was very sick with malaria for the whole month of January 2026. Thanks to God I'm doing better now. 6 new local churches were planted and many people with physical disabilities were brought to Jesus, counseled from their wounds and empowered with the mobility equipment (bed commodes, Mobility Carts and more) we got from FAME. Our next 2026 trip to Congo Democratic Republic is scheduled for August 3, 2026 to February 25, 2027 (7 months).

Together we're making a big difference in transforming vulnerable people lives in Congo Democratic Republic. Thank you for your continued partnership with us. In the service of the Lord."

Jonas Muyima missionary to Congo Democratic Republic February 2026"

We promise to be truthful and frank in our fundraising efforts, and not to create a monthly crisis, or otherwise unduly make emotional pleas for your support. We do rely upon your gifts. It is the simple fact that the more you give the more people Mobility Worldwide MO-Columbia can help.

DID YOU KNOW HOW MANY FEET OF CHAIN?

Each crank cart has 4 to 6 feet of chain. **We buy it in spools totaling 7,000 feet at a time.** In addition, we use your gifts to buy the links to make the chain length needed for each type of cart. This invoice shows \$12,155.50 paid for both in February. Thank you for all your donations that make ordering supplies and paying invoices easy.

YOUR GIFTS SPREAD JOY IN KENYA

“On this joyful Easter Sunday, April 5, 2026, we at PFC are overflowing with gratitude for the incredible container of gifts we received. What a pleasant Easter gift!

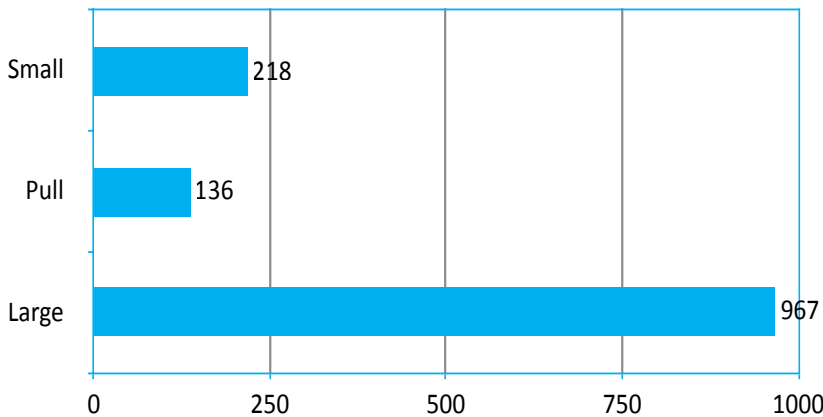

..... **Your generosity will empower countless Kenyans facing daily challenges to move freely, pursue dreams, and embrace independence.** From a child moving on a Mobility Cart for the first time, students at a sewing school stitching their future on a new machine, or an elder walking steadily with a walker or cane. You're not just sending items; you are delivering dignity, opportunity, and the freedom of motion. From the bustling streets of Nairobi to rural villages, your kindness will help families thrive.

With deepest appreciation and Easter blessings, Mary Wang'ang'a, Partners for Care, Mobility Carts and Devices Program Director”

CHITIPA, MALAWI RECEIVES A CONTAINER FULL

JIM HOFMANN LED THE DRIVE TO SHIP A LOAD OF MISSION SUPPLIES.

For years, our Board Trustee and Secretary has supported this mission and traveled to Malawi to see their efforts firsthand. Jim wanted to help get them even more supplies to do their work. In December, we shipped this 20' shipping container full: 80 Mobility Carts, 38 Sewing Machines & supplies, 4 Mini-Marts, wheelchairs, walkers, crutches, and canes. The container arrived this spring and they have unloaded, re-assembled carts and began distributions. (Photos courtesy of Jim Hofmann.)

Our mission: Mobility Worldwide MO – Columbia’s mission is to provide appropriate mobility for all of God’s children in need. We seek to provide mobility first for those in greatest need and with the least resources in low income or underdeveloped countries.

DEDICATED SERVICE CHANGES LIVES

This spring over 100 volunteers and their guests attended their banquet, which was sponsored by a volunteer family. We acknowledged two volunteers who have served over 10 years. Paul Lindquist (pictured with Gary Moreau, Executive Director) has worked in the cart assembly area, transported cart parts around the state, and assisted with The Sewing Machine Project under our 501c3. Carolyn Sue Roberts started out helping with the cart packing crew on Tuesdays. For years, she has sewn seatbelts for the Mobility Carts. The evening was hosted by our volunteers, Jim & Chris Weisbrook, and The Crossing Church. Also pictured is Mel West, our Founder, right before his 102nd birthday. **Dedication by our volunteers and friends year after year has helped our mission be successful in changing 38,000+ lives around the globe. Congrats to everyone!**
